

The International Society of Precision Agriculture presents the  
**15<sup>th</sup> International Conference on  
Precision Agriculture**  
**26–29 JUNE 2022**

Minneapolis Marriott City Center | Minneapolis, Minnesota USA

**Hybrid Conference – Attend ICPA in-person or online!**

## Join us for the 2022 ICPA Post-Conference Tour

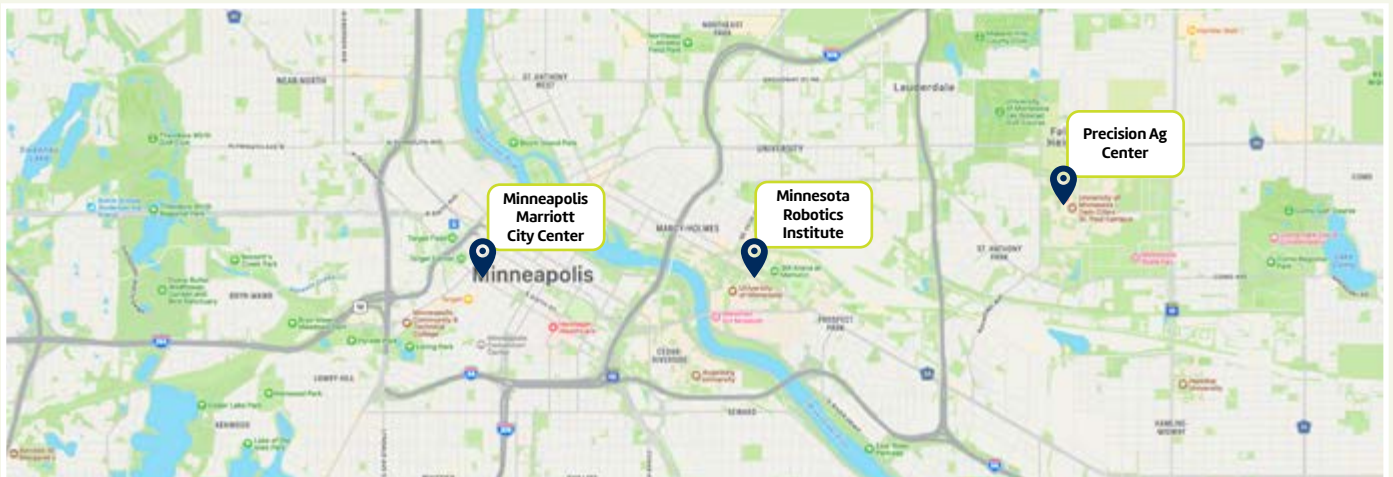

Following the ICPA Conference sessions on Wednesday, June 29, join us for an enlightening tour of the **University of Minnesota’s Robotics Institute and the Precision Agriculture Center**. Buses will leave the Marriott Conference Center at 1:00 pm and return by 6:00 pm. A box lunch is included in the tour registration. Register for the post-conference tour at [ispag.org/icpa/Tours](https://ispag.org/icpa/Tours)

### Tour Details

Beginning at 1:30 pm, attendees will spend roughly 2 hours in the Minnesota Robotics Institute (Shepherd Labs) on the main campus of the University of Minnesota. Visitors will learn about the Distributed Robotics Lab, the Robotic Sensor Network Lab, and the Drone Lab. [cse.umn.edu/mnri/shepherd-lab-tours](https://cse.umn.edu/mnri/shepherd-lab-tours)

From there, we will travel 15 minutes to the St. Paul campus of the University of Minnesota’s Precision Ag Center. While at the Precision Ag Center, attendees will learn about the research being conducted at the center and see demonstrations from the university’s partner companies, like PDMI, who will lead a demonstration on hyperspectral soil sensing. These activities will take about 1 ¼ hours. [precisionag.umn.edu](https://precisionag.umn.edu)

***It will be a great way to conclude the ICPA conference!***
