

ISPA Newsletter 13(10): ICPA and ConBAP Abstracts Open, 11th ACPA, Jobs, Events and More

Oct 30, 2025

International Society of Precision Agriculture

MONTHLY NEWSLETTER

17th ICPA and 11th ConBAP Abstract Submissions

The 17th International Conference on Precision Agriculture and 11th Brazilian Congress on Precision and Digital Agriculture **Abstract Submission Form is now open!**

We invite you to submit an Oral or Poster abstract on the [various conference topics](#). Abstracts will be reviewed for suitability based on scientific content and clarity. Abstracts meeting these criteria will be accepted to the Oral or Poster program at the conference.

Abstracts must be submitted in English. Abstract length must be in the range of 300-500 words with no figures, references or tables. Authors of accepted abstracts will be entitled to present their research at the conference after payment of registration fees. Please review the [Author Instructions](#) webpage for additional instructions and deadlines.

Abstract Submission Deadline: 16 Jan 2026

Questions pertaining to abstract submissions should be addressed to abstracts@ispag.org.

Submit Your Abstract Today!

11th Asian-Australasian Conference on Precision Agriculture

Congratulations to the 11th Asian-Australasian Conference on Precision Agriculture on their successful conference earlier this month!

The conference brought together 217 participants from 16 countries. With the theme Empowering Precision Agriculture for a Sustainable Future, the three day event ran from October 14-16, 2025 in Chiayi, Taiwan.

The 12th Asian-Australasian Conference on Precision Agriculture will be held in Kobe, Japan from September 15-18, 2027.

ISPA Country Representative

Dr. Chayan Kumer Saha

ISPA Country Representative for Bangladesh

Dr. Chayan Kumer Saha is the ISPA Country Representative for Bangladesh. Dr. Chayan Kumer Saha is a professor at the Department of Farm Power and Machinery, Bangladesh Agricultural University, Mymensingh and frontier researcher in innovating and adapting climate smart agricultural technologies in Bangladesh.

Dr. Chayan Kumer Saha

#ISPAG

Country Representatives serve to help promote ISPA by championing the ISPA mission and purpose globally, in particular, in the country they represent. ISPA is growing internationally so Country Representatives remain an important position to help ISPA best serve people, groups, governments and others, globally connecting them to science and experts.

Please join us in thanking ISPA Country Representative from Bangladesh, Dr. Chayan Kumer Saha.

If you are interested in becoming a Country Representative, please email info@ispag.org with your bio highlighting your experience in precision agriculture and your CV. ISPA requires that all Country Representatives are current members of the society. To become a member, please complete the [membership form](#).

Precision Agriculture Definition

Precision Agriculture is a management strategy that gathers, processes and analyzes temporal, spatial and individual plant and animal data and combines it with other information to support management decisions according to estimated variability for improved resource use efficiency, productivity, quality, profitability and sustainability of agricultural production.

The International Society of Precision Agriculture (ISPA) is a non-profit professional scientific organization.
The mission of ISPA is to advance the science of precision agriculture globally.
