MONTHLY NEWSLETTER

2020 ISPA Elections

The nomination committee of ISPA is requesting nominations for the following offices for the ISPA

- **President Elect** – (Six year appointment) to serve as President Elect from July 2020 to July 2022, and then move to President for July 2022 to July 2024 and then to Past-President 2024-2026.
- **Secretary** – (Two year appointment) to serve from July 2020 to July 2022
- **Treasurer** - (Four year appointment) to serve from July 2020 to July 2024

More on officer responsibilities is available here.

The ISPA is governed by an international Board of Directors consisting of elected officers (President, President-Elect, Past-President, Secretary, and Treasurer). The office of President will be filled by the current president-elect, James Lowenberg-DeBoer.

Regarding nominations for the available elected positions of President-Elect, Secretary, and Treasurer please feel free to nominate yourself! This is perfectly acceptable! The name of all nominators will be kept confidential.

To nominate an individual:

1. The nominator must be a current member of ISPA.
2. The nominee must be a current member of ISPA.
3. Contact the nominee and verify that they are interested/available to serve as an officer.
4. Submit a short CV (no more than 2-pages) with a high resolution picture of nominee.
5. Provide contact information for the nominee and the nominator.
6. Please send nominations to nominations@ispag.org.

Nominations must be received by 8 June 2020.

Elections will be held electronically. Ballots will be emailed to all **ACTIVE ISPA members**. Visit your My Account page (ispag.org/myaccount) to check your membership status - you will need to login using the email address associated with your membership. If questions please contact info@ispag.org.

2024 ICPA Awards

Know a graduate student or outstanding scientist? Nominate them for the ISPA Outstanding Graduate Student Award or the ISPA Pierre C. Robert Precision Agriculture Award. **Nomination submissions are due 16 APRIL 2024.**

Brief descriptions of the awards in different categories are listed below:

Pierre C. Robert Precision Agriculture Award(s)
The Pierre C. Robert Precision Agriculture Award honors individuals who have made significant contributions to precision agriculture science and technology and who are presenting an oral or poster paper at the conference. Two awards will be given in this category to a Young and Senior Scientist/Professional. The young scientist/professional must be 42 or younger; the senior scientist/professional over 42. Senior scientists/professionals must have 20 or more years of experience the majority of which must be in the area of precision agriculture. The nominee must be an active member of ISPA. The selected candidates will be honored during the conference award ceremony with a Plaque of Achievement and US$1000 cash award.

Submissions
The entire nomination package must be submitted as one pdf file, in an e-mail attachment. **Nomination submissions are due on or before 16 APRIL 2024** to the Chair of the ICPA Awards Committee, awards@ispag.org. Questions related to the awards nomination must also be addressed to awards@ispag.org.

ISPA Outstanding Graduate Student Awards
The purpose of this award is to recognize graduate student achievement, training, preparation and research in the area of precision agriculture.

Up to 10 awards will be made to graduate students presenting their research work (oral or poster paper) at the 16th ICPA conference. The award will consist of waived conference registration fees and US$500 cash award. The selected candidates will be honored during the conference award ceremony.

The award is administered by the Award Committee of the International Society of Precision Agriculture.

Upcoming Events

25-27 FEB 2025
GIS & Drone Applications in Agriculture Conference

29 JUN - 3 JUL 2025
15th European Conference on Precision Agriculture
Barcelona, Spain
ecpa2025.upc.edu/

22-31 AUG 2025
XXXII ISSCT Centennial Congress
Cali, Colombia
issctcennial.com/

14-16 OCT 2025
11th Asian-Australasian Conference on Precision Agriculture
Chiayi, Taiwan
ispag.org/Events/ACPA

2-4 FEB 2026
International Crop Modeling Symposium (iCROPM2026)
Florence, Italy

Week of 13 JUL 2026
17th International Conference on Precision Agriculture and the 11th Brazilian Congress on Precision Agriculture
Porto Alegre, Brazil

See the ISPA website for a complete list of events.
Do you have an event that would be of interest to our members? Send us an email to let us know.

Jobs Listing

- Postdoc in Digital Agronomy for Climate Resilient Perennial Agriculture
- Tenure Track Assistant Professor in soil spectroscopy at Department of Agroecology, Aarhus University
- Assistant or Associate Professor of Extension Soil Management - University of Kentucky - Department of Plant and Soil Sciences
- Precision Agriculture Technologies Extension Specialist - University of Tennessee - Biosystems Engineering and Soil Science
- Assistant Professor (Extension) - Mississippi State University - The Department of Agricultural & Biological Engineering
- University of Georgia - Assistant Professor - Extension Specialist Precision Agriculture Systems

Do you have a job you would like to post to the ISPA website? Please send your job announcement, a short description, and cutoff deadline for applications to info@ispag.org

Contribute to the ISPA Newsletter

Do you have a precision ag event, project, or news article that our members would be interested in? Please let us know. We post events, job opportunities, and news from members from around the globe. Email info@ispag.org or use the handy online form to submit your contribution.

Precision Agriculture Definition

Precision Agriculture is a management strategy that gathers, processes and analyzes temporal, spatial and individual plant and animal data and combines it with other information to support management decisions according to estimated variability for improved resource use efficiency, productivity, quality, profitability and sustainability of agricultural production.

The International Society of Precision Agriculture (ISPA) is a non-profit professional scientific organization.
The mission of ISPA is to advance the science of precision agriculture globally.
