ISPA New T-shirts Sponsored by Valmont S. A.

New ISPA members and Country Representatives attending the 14th European Conference of Precision Agriculture (ECPA) were the first to wear the new ISPA T-shirts. Several of the ECPA attendees were excited about the T-shirts especially because the new ISPA logo approved this past June is stamped on them. This first batch of T-shirts was sponsored by Valmont Industries, Inc.

ISPA would like to thank Valmont for supporting its initiatives, especially Andreea Spridon and Luca Bondesan, Valmont representatives in Europe, for their great collaboration.

In the photo are ISPA board secretary, Brenda Ortiz, and Manuela Zude-Sasse from the Leibniz Institute for Agricultural Engineering and Bioeconom in Postdam, Germany.

ISPA Country Representative - Craige Mackenzie

Country Representatives serve to help promote ISPA by championing the ISPA mission and purpose globally, in particular, in the country they represent. ISPA is growing internationally so Country Representatives remain an important position to help ISPA best serve people, groups, governments and others, globally connecting them to science and experts.

Please join us in thanking ISPA Country Representative from New Zealand, Craige Mackenzie.

If you are interested in becoming a Country Representative, please email info@ispag.org with your bio highlighting your experience in precision agriculture and your CV. ISPA requires that all Country Representatives are current members of the society. To become a member, please complete the membership form.

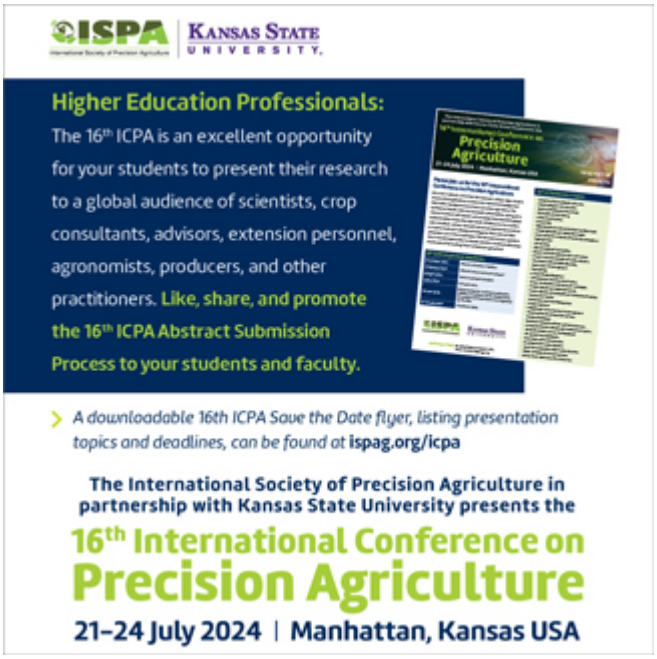

Higher Education Professionals

The 16th ICPA is an excellent opportunity for your students and faculty to present their research to a global audience of scientists, crop consultants, advisors, extension personnel, agronomists, producers, and other practitioners.

Spread the word about the 16th International Conference on Precision Agriculture. Download, print, and share the conference information flyer, available in both 8 1/2in x 11in format and A4 format.
