Digital Agriculture and Advanced Analytics Symposium (DA3)

We are honored to invite you to attend the [Digital Agriculture and Advanced Analytics Symposium (DA3)](#) on **October 23** from 9am to 5pm, at **Kansas State University's Alumni Center.**
This event, part of the Corteva Plant Science Symposia Series organized by a transdisciplinary team of graduate students from different Kansas State University colleges, will feature insights from educational institutions, companies, and universities on the latest in digital agriculture and the key role of graduate students. Over the past 12 years, Corteva (formerly DuPont-Pioneer) has sponsored symposiums worldwide, reaching over 20,000 participants.
Join us to explore the most advanced predictive analysis tools and techniques that are and will revolutionize agriculture in the coming years.

ISPA Country Representative - Femi Adekoya

Country Representatives serve to help promote ISPA by championing the ISPA mission and purpose globally, in particular, in the country they represent. ISPA is growing internationally so Country Representatives remain an important position to help ISPA best serve people, groups, governments and others, globally connecting them to science and experts.

Please join us in thanking ISPA Country Representative from Nigeria, Femi Adekoya.

If you are interested in becoming a Country Representative, please email info@ispag.org with your bio highlighting your experience in precision agriculture and your CV. ISPA requires that all Country Representatives are current members of the society. To become a member, please complete the membership form.
